

WITNESS STATEMENT

I, Ronald Lee Modic, also known as Prem Anubuddha have been a sannyasin/ disciple of Osho {formally known as Bhagwan Shree Rajneesh} since 1976. I am living at Cami Ample, 19 in Denia, Spain for the last 11 years.

I do state as follows:

When I met Osho in 1976 {he was known as Bhagwan Shree Rajneesh}, I was already trained as a Yoga Teacher in California.

He told me personally that I could offer "Rajneesh Neo-Yoga" classes in his Ashram in Poona, India. And when I left to return to California, Osho gave me the permission to open a new Center for Yoga and Meditation called "Sundaram Rajneesh Meditation Center".

From 1976 - 1990 I was always living and working in Osho's Commune in America, in Europe, and in India.

My work was primarily in the "Osho International Academy of Healing Arts".

I was a founding creator {sometimes alone, and sometimes with other sannyasins}, under his direct guidance of the following Healing Arts disciplines:

- 1} Rajneesh/ Osho Neo-Yoga in 1976;
 - 2} Rajneesh/ Osho Rebalancing in 1980;
 - 3} Osho Cranial-Sacral Balancing in 1989;
 - 4} the founding Director of his Osho International Academy of Healing Arts in 1988.
- Also, in 1986, Osho personally encouraged me to direct a branch of his Academy/ Multiversity called "Rajneesh Academy for Rebalancing and Body Awareness.

All of these Centers were given to me by Osho unconditionally...

at no time did Osho say anything about any contract or legal agreement.

It was clearly understood that I was sharing Osho's vision of the Human Body, Conscious Touching, Yoga, and Meditation and that I was free and encouraged to use his name in my work.

There was NEVER any mention of a license or contract.

I was also referred to by Osho himself, as his "touch-based, natural Doctor".

I gave him around 150 individual healing sessions in his residence in Poona in 1988 and 1989. We had countless personal conversations about his own Body, the Human Body, healing, meditation, and his vision relative to spreading meditation throughout the world.

For me it was always clear that he wanted his work and his name to be free of all legal contracts. He also wanted me to be free to continue developing the work without any restrictions from any organization.

The statements herein are from my personal experience, knowledge, and recollection, and I believe all of the statements made and the facts mentioned to be true.
