

Witness Statement

I, Gerardina, Maria, Wilhelmina Kurvers, also known as Ma Prem Kutera of Eikenlaan 20, 2382 ED Zoeterwoude, The Netherlands, do state as follows:

In my work as an independent and registered therapist I use(d) the name Osho (Rajneesh) to point to a man, his vision and his spiritual inspiration in my life and work and to my connection to him.

From 1996 I officially worked and now still work as a trained and registered therapist.

Since then I work with people in individual sessions and from 1996 till 2002 I also lead groups with also Osho meditations..

I did not use the name Osho to describe these groups. However I used the name Osho in an independant way to describe the spiritual inspiration for my work.

I never signed any guidelines or Letter of Understanding.

My impression was and ist that my group participants and clients did not/do not get the impression that I used/use the name Osho according to guidelines and/or a licence agreement with OIF, but could/can experience the spiritual inspiration for my life and work as a therapist.

The statements herein are from my personal knowledge and recollection and I believe all of the statements made and the facts mentioned to be true
