

Witness Statement

I, Hubertina Hendrika Elisabeth Verbeek-Heemskerk, also known as Ma Anand Nirad, of Hamrikkerweg 132, 9943 PD Nieuw Scheemda, The Netherlands, do state as follows:

- I started a Bhagwan activities in Oudenbosch in the Netherlands in June 1980. Permission was given in a letter, of which a copy is attached.
- In April 1983 I opened the Grada Rajneesh Information Center in The Hague (The Netherlands) with permission of Veeresh.
- Another center was started by me in October 1983: Wajid Rajneesh Meditation Center in The Hague (The Netherlands), a center which still flourishes, but now under the name of Wajid Osho Meditation Center.
- I am member of the board of the foundation Prakash/Marut, since many years active in Appingedam and Groningen (The Netherlands).
- As a therapist, counselor and meditation leader I am active since 1978.

In all these centers and in all these rolls, I used and still use the name "Osho" (or before 1989 "Bhagwan") to describe the spiritual intention of the center, the groups and the activities. In this way it is clear to all participants and others, that this is inspired by the man "Osho" and his Vision.

Never was I given guidelines or directions by the Osho International Foundation for the use of the name "Osho". And never did I sign an agreement on this subject.

The statements herein are from my personal knowledge and recollection and I believe all of the statements made and the facts mentioned to be true
