

Witness Statement

I, Christiane Sturm, also known as Ma Prem Puja, Voermanstraat 10C, 9742 VC, Groningen, The Netherlands, state as follows:

I was born in Voorburg, The Netherlands, on 19th February 1939. I studied French, and from 1963 to 2001 I was a teacher at a secondary school. Since 1989 I have been a sannyasin of Osho's. In Groningen, the town where I live, I started to lead meditations, and with a small group we organise Osho Swingparties every month. We also publish a newsletter in order to propagate the name of Osho, and His vision. Our center is called Marut (see the attachment).

We want as many people as possible to know the name of Osho, His work, His wisdom. That is our inspiration.

I have never been given any guidelines or directions by the Osho International Foundation, when and how to use the name "Osho", and I have never signed a letter of understanding.
